**SISTERHOOD
& THE SOCIAL ACTION/GREEN COMMITTEE**

JOINTLY PRESENT

**Children in Need of a Loving Home:
A Jewish Response**

We will hear from a representative from the Jewish Adoption and Foster Care Options (JAFCO), a national organization whose mission is to care for abused, neglected and abandoned children in the Jewish community and provide them with a safe and loving home. A short video will be presented. The Tikkun Alliance of the North Shore (TANS), a collaborative effort with area synagogues and the Sid Jacobson JCC, is bringing this program to our region.

Optional: BRING A SMALL GIFT FOR A CHILD

Let us open our eyes and our hearts to this need in the Jewish community, one which is seldom discussed. We ask that everyone please bring a lightweight small gift (suitable for shipping and unwrapped) for a baby or child, or a gift card from a national store; you may team up to do so with another congregant. In lieu of such a gift, your donation to a gift pool will be accepted.
