

## YO LA KERIA / I LOVED HER

*Yo la keria  
Mas ke mi vida  
Mas ke mi madre  
L'amava yo*

I loved her  
More than my own life  
More than my mother  
I loved her.

*Por el destino  
Kruel, sangriente,  
Duvo desharme  
Sin su kerer.*

It was my destiny  
Cruel and bloody,  
That left me  
Without her love.

*Una manyana  
De frio d'invierno  
Entre mis brazos  
Me se murio*

One morning,  
in the cold of winter,  
In my arms  
She passed away

*I desde entonses  
vo por il mundo  
Kon el rekuerdo  
d'akel amor*

And since then  
I pass through the world  
With the memory  
Of that cherished love.

*¿Onde estas korason?  
No te siento palpar  
Ke's tan grande el dolor  
Ke no puedo yorar*

Where are you, my heart?  
I don't feel your pounding.  
the pain is so deep,  
I cannot even cry.

*Yo keriya yorar  
Ma no tengo mas yanto  
La keria tanto i se fue  
Para nunca mas tornar.*

I wanted to weep but  
tears, I have no more  
I loved her so much and she left  
Never to return again.
